

Masseria Egnazia Puglia

What we love...

We love the pool area, with its Jacuzzi and shaded gazebo with seating beneath for finding shade on warm afternoons.

If a laid-back bolthole in the Puglian hills is your heart's desire, the search is over. Masseria Egnazia ticks all the boxes, with its quiet location tucked away in the countryside, amazing views of the sea and all you could need for the perfect luxury Italian villa holiday.

Inside, the villa is decorated in a neutral, pared-back style. Light and airy rooms, with stone floors, jute rugs and natural linens, create a relaxed atmosphere and a wonderful place to kick back on warm evenings and enjoy the cool of the shade.

The living space includes huge, comfy sofas where you can sprawl with coffee and the papers on quiet mornings, as well as a TV so you can catch a movie in the evenings or on afternoons when the weather doesn't hold.

Each of the four bedrooms has its own private bathroom, with stunning shower enclosures, luxury

baths and more, all designed to ensure you rise each morning and head to bed each evening feeling wonderful.

There is generous outdoor space for alfresco dining under a canopy, so you'll have plenty of shade, even in the heat of the day, and lots of outdoor seating areas where you can relax and make the most of the villa's wonderful location.

The swimming pool area is truly beautiful. Surrounded by loungers, olive trees and a rustic wall for privacy, and the Jacuzzi nearby. Escape to the private sauna with 'emotional' wellbeing shower – your physical health is just as well taken care of as your mental wellbeing here. The villa's staff and concierge are always on hand to help ensure everything is arranged for you and your stay is completely stress free.
