

Villa Extravaganza Vinišće

What we love...

We love the private infinity swimming pool terrace with luxe loungers and views out over the sparkling Adriatic.

Perched right on the edge of the ocean, this luxury beachfront villa in Croatia couldn't have a more magical setting. Its whitewashed walls seem to shimmer against the blue skies, and the three floors of this fabulously stylish building almost seem to be tumbling down the hill towards the sea.

Its secluded position in a beautiful bay means you have a real feeling of peace here. Despite being within easy reach of lots of tourist attractions, Villa Extravaganza feels truly private – a secret best kept to yourself.

And extravaganza it is, with no expense spared and every detail carefully considered, too. Running through each of the floors is a wooden staircase, beautifully lit, geometric artworks and a sophisticated colour palette of neutrals, dark blues and golds.

The main living area is huge and comprises a contemporary living space with velvet sofas and armchairs set around occasional tables, a stylish and comfortable dining space seating eight and a well-equipped kitchen with marble worktops and sociable 'bar' area where you can relax with a glass of

wine and chat to whoever is 'chef' for the evening. The property has WiFi, and Apple TV with wireless surround sound speakers. There's also a gym and indoor sauna.

It's the outdoor spaces that make this luxury villa really special, however. The property is surrounded by lush gardens and has quick access to the sea below. There's an outdoor terrace, with outstanding sea views, lit by candles in the evenings – it's hard to imagine a more magical spot for dinner. And then there's the swimming pool terrace; a stunning heated infinity swimming pool that looks straight out to sea, where you can do a few lengths or just enjoy the hydrotherapy massage. The swimming pool is surrounded by luxury loungers, perfect for retreating to with a book in the sunshine, and nearby are shaded outdoor coffee spots and a barbecue area in which to prepare long, lazy meals.

Long after the sky has darkened and the lights twinkled on all around Villa Extravaganza, you'll slink off to cool sheets and spa-style bathrooms in the super-comfy, air-conditioned, en-suite bedrooms, ready to re-energise for another day in the sun.
