

## Villa Anette Mykonos

### What we love...

We love the large swimming pool terrace, where you can sit and look out to the endless blue sea and sky.

With its light-filled interiors, stunning swimming pool terrace and dreamy outlook over the shimmering waters of Kalafatis Bay, this luxury villa in Mykonos is a perfect escape from day-to-day life.

Villa Anette has an effortless charm. No detail has been overlooked, yet the pared-back spaces – inspired by traditional white Cycladic architecture and the surrounding landscape – give off a vibe of serene, understated luxury. Inside this villa with a sea view, large picture windows and French doors ensure you're never too far from the dazzling vistas. The fully equipped kitchen is a calming white and chrome affair, while the living room is a cosy place to curl up – if you can drag yourself inside, that is.

Most of your time will be spent out in the sun, breathing in the warm sea air. The swimming pool terrace

blends harmoniously with the environment and its endless blue views of sea and sky makes you feel like you're on the edge of the world. This is an impressively spacious entertaining area, where cacti plants and fruit trees add points of interest and various seating nooks give ample space to relax and enjoy the scenery. Get yourself comfy on a lounger and drink in the panoramic views over the rugged hillsides and dazzling Aegean Sea, rustle up sizzling feasts on the barbecue and cool off in the beautiful aquamarine swimming pool.

In the main house, you'll find five restful bedrooms (including one twin and a children's room with bunks). Some rooms – with a four-poster bed and billowing drapes – have a more whimsical feel. A separate one-bedroom guest house has its own entrance, perfect for those seeking extra privacy.

## Kids

Children will particularly love the outside space here – the swimming pool is large enough for them to practise their laps or simply splash around.

Indoors, there's plenty of room to play and Villa Anette's bunk room is the ideal sleeping space for kids.

For older children and teenagers, there are fun watersports and other adventures to enjoy down on Kalafatis Beach.

## Location

Villa Anette sits on the cliffside overlooking Kalafatis Bay in the east of Mykonos. Kalafatis is one of the island's loveliest beaches, and restaurants, bars and watersports can all be found here. Both Kalafatis and Kale Livadi beaches are less than a 2 minute drive from the villa.
