

Villa Borovina Hvar

What we love...

We love the secluded nature of the swimming pool terrace, surrounded by fragrant pines and with views of the sea peeking through.

Perched at the edge of the sea, on the stunning island of Hvar, Villa Borovina is a little piece of paradise.

As part of the exclusive Maslina resort, Borovina benefits from all the privacy of a secluded villa but also all the resort's excellent facilities; from a sophisticated lounge bar and club, to a private beach bar and wonderful restaurant where you can enjoy ingredients picked from the resort's own organic beach garden. There's space for everyone in your party to do their own things; a kids' club for little ones to enjoy, stunning spa facilities, including aqua thermal area with hammam, sauna, aromatherapy steam bath and a cold plunge, and even a library and gallery if you want to find somewhere quiet for the afternoon.

Back in your private villa, there's plenty of room for everyone in your party to enjoy the peace and proximity to nature. The heated private swimming pool on the ground floor terrace is perhaps the jewel in the crown of this property. Surrounded by trees and with views out over the sparkling Adriatic, we can't think of many nicer spots for a few lengths in the sunshine.

On the upper terrace are outdoor dining and living spaces with

parasols for a little shade while you're reading your book on the sofas or enjoying a leisurely lunch and a bottle of wine looking out to sea.

Indoors, the property has been thoughtfully designed using natural, local materials. Stone, wood and terracotta all bring a natural feel to the incredibly calming interiors. Minimalist style and a muted palette make this a space in which your mind is stilled and you can truly live in the moment.

The open-plan living space is light and airy and comprises a large lounge area with designer chairs and a low, L-shaped sofa, that's perfect for afternoon lounging. Nearby is a sleek kitchen with marble work surfaces and top-of-the-range appliances, and adjacent a contemporary dining space for those times when you want to escape the heat of the day and eat indoors.

Four luxe bedrooms, with spa-style bathrooms (all with walk-in showers and one with a huge tub) each make for a relaxing place to lay your head at night time. You'll find your bed turned down by the villa's staff for you each evening, leaving you nothing to do but drift off to the sound of the waves outside.
