

## Villa Daniela Corfu

### What we love...

We love the view from the slick swimming pool terrace, where you can gaze out over the glistening Ionian Sea to the undulating mountains of Albania.

Soak up sweeping Ionian Sea views from sleek outdoor terraces, take dips in your own outdoor swimming pool and tuck into mouth-watering meals whipped up by a private cook at this seven-bedroom luxury villa in Corfu. This is the perfect place to unwind and leave everyday life far behind you.

Perched on the verdant hillside above Agios Stefanos, Villa Daniela blends contemporary architecture and luxury amenities with a real sense of place. The design at this catered villa is fully modern; expect fuss-free pieces and light-flooded rooms kitted out in neutral tones.

The large living and dining area leads out to the slick swimming pool terrace, and most of the intimate

bedrooms open onto small balconies and terraces, so you're never far from the fresh air. Feel the warmth of the sun as you lie back on a lounge beside the swimming pool (which can be heated on request), or gaze over the Ionian Sea to the lush mountains of Albania from the polished glass-fronted outdoor lounge.

If that wasn't enough, there's a separate guest house with its own double en-suite bedroom, living room and kitchenette for guests who prefer a little extra privacy.

## Eating

Gather your family and friends for memorable dining experiences at Villa Daniela. A private cook will take care of you during your stay, preparing scrumptious breakfasts and one main meal. As an extra-special touch, the cook uses produce from the villa's organic garden for the ultimate fresh taste and minimum food miles. Please note that cost of food and drinks will be charged for separately.

When it comes to where to dine, you're spoilt for choice. Al fresco is best – take your pick of the dining area just beyond the lounge or the glass-fronted raised terrace for those incredible sea views. It's a magical spot as the sun goes down, perfect for leisurely late summer suppers. Then take just a few steps to the outdoor lounge and relax with a glass of your favourite tippie by the warmth of the fire pit.

## Kids

Villa Daniela is ideal for a family holiday by the sea. The twin bedrooms with rear-facing views are ideal for kids. The layout might also suit families with older children who can have their own private, separate space in the guest house.

This luxury villa has a large inviting swimming pool which is perfect for hours of splashing about. And, being on an island, you're surrounded by beaches where children can try out a range of watersports.

Equipment such as high chairs and cots can be provided on request.
