

Villa Uvala Hvar

What we love...

We love the stunning panoramic sea views from virtually every room in the villa.

Combining peace and privacy with access to one of the most beautiful and exclusive resorts in Europe, Villa Uvala offers its guests the best of both worlds.

This exquisite villa is set in the heart of the luxury Maslina resort, with its private bars and restaurants, swimming pools and leisure facilities, all at your disposal. But once you close the doors of Villa Uvala you could be in your own beachside kingdom.

The villa is designed in a Japanese style, with the occasional French twist, and Modern Retro furniture that feels both stylish and laid back. Light woods, a neutral palette and natural materials make this a space that is easy to relax in at all times.

The main living space is equally light and airy, with floor-to-ceiling windows looking out at the Adriatic, and a woodburner, which brings instant cosiness on chilly nights. Nearby is a sociable kitchen space and a modern dining area.

While the indoor spaces are impressive, it's the outdoor rooms that really make this a magical property. A travertine terrace

houses a huge outdoor living space with lounge and dining areas so you can live outdoors as much as possible, as well as a Jacuzzi and huge heated infinity swimming pool with panoramic sea views. For those who like to mix a little action with their relaxation there's also a private gym and spa on the lower floor as well as a Finnish sauna.

The bedrooms are all designed with your supreme comfort in mind with neutral colours and cool cottons. Some have murals and other interesting design features – one even has its own private entrance and an office space. Each has a beautiful spa-style bathroom with walk-in shower and double stone basin and two have a huge bathtub to sink into. Staff will turn down your bed each evening so as soon as you're ready to retire, you can fall straight into crisp sheets.

Life at Villa Uvala is all about enjoying a mindful and stress-free existence. Staff are on hand to arrange massages and other treatments, organise excursions and book private chefs or restaurant tables for you. Your every wish and whim are catered for here.
