

## Amanzoe 5 Bedroom Residence, Porto Heli

### What we love...

We love the thoughtful layouts, with a living area hub offering plenty of space for sociability and private bedrooms giving total seclusion.

Enjoy your very own piece of Aman property with a stay at this luxury Amanzoe boutique resort. The 5 Bedroom Residences are designed in the style of a modern-day Acropolis, with towering concrete columns, sand-coloured marble floors and breezy indoor/outdoor living areas. They simply ooze style and serenity.

There's a huge sense of space throughout the 5 Bedroom Residences, with living and sleeping zones artfully dotted around the courtyard terraces and sleek swimming pools. You're never far from the warm breeze or the large infinity swimming pools' glistening waters – take your pick of the loungers and curl up with a good book or podcast in total seclusion.

You'll find every luxury you'd expect to pamper all your senses, including beautiful pool houses complete with media centres. While the bright and airy living areas are an open-plan and social space complete with high-spec kitchens and dining rooms, bedrooms are calm cocoons, each one separated from its neighbour for additional privacy.

On this ultra-luxury Greek holiday, you can stay secluded in your private villa, or enjoy the resort facilities including the state-of-the-art spa and the chic Beach Club with numerous facilities down at the private pebble beach. Celebrate the area to its full with island-hopping trips to historical villages and picturesque towns, explore ancient citadels and monasteries, navigate hiking trails through pine forests with a local guide or visit local produce-makers from regional vineyards to bee keepers. For more romantic moments arrange for private dining in an atmospheric open-air setting of the Amphitheatre, or a secluded beach meal where you can enjoy feet-in-the-sand dining.

With a personal host and chef, plus a full resort team at hand, you're sure to want for nothing during your stay.

Please note: there is a collection of villas within the resort and images shown are of various villas as a guide to reflect the style and decor.
