### What we love...

We love the huge sense of spaces and effortless indoor/outdoor living – you could happily spend all your time in the privacy of your villa and want for nothing.

Aman's ultra-exclusive retreats are known around the world for their fine service, fantastic facilities and fuss-free luxury. Here, nestled in private one-acre grounds and surrounded by beautiful cypresses and olive groves, the 6 Bedroom Residences are your very own hilltop slice of Aman perfection.

These luxury villas in Greece are cleverly laid out in zones. You'll arrive at the spacious main living areas with their glossy kitchens, airy dining rooms, study's and staff quarters. The design draws influence from ancient Greek architecture; expect grand concrete pillars, high ceilings, marble floors and stone-walled courtyards.

Step out from the living areas onto the elegant swimming pool terraces, which comes with plenty of shaded and sun-kissed spots for lounging around the large, glittering infinity swimming pool. A pool house, kitted out with a media centre and gym, is part of each villa and excellent bonus spaces.

Bedroom suites are dotted around the courtyards, where water features and perfectly placed shrubs add to the relaxing atmosphere.

Villa guests have access to this

ultra-luxury Greek resort's facilities including a private pebble beach with its glistening waters and stylish Beach Club just a 10-minute drive away. The Beach Club offers numerous amenities such as swimming pools, restaurants and non-motorised water sports gear to name just a few. Spend your days getting pampered in the stylish, state-of-the-art Aman Spa, soak up the culture by exploring ancient archaeological sites, or unwind while yachting along the coastline, stopping off at enchanting islands for swims and fresh seafood lunches. Alternatively explore the hiking trails through pine forests with a local guide, make use of the mountain bikes or visit local produce-makers from regional vineyards to bee keepers. For the romantics arrange private dining in an atmospheric open-air setting of the Amphitheatre, or a secluded beach meal where you can enjoy feet-in-the-sand dining.

With dedicated villa staff supported by the full resort team, you'll be well looked after for the duration of your stay.
