

Boho-Chic Bastide St Tropez

What we love...

We love the spacious front and back gardens, where beautiful additions include a sleek swimming pool terrace, fountain and turret.

This luxury St Tropez villa is bastide ('country house') perfection. Light and airy Boho-Chic Bastide will have you feeling right at home from the moment you set eyes on it's elegant white exterior complete with charming shuttered windows.

The glistening swimming pool is the focal point of the gardens, elegantly positioned on a stone terrace flanked by plush day beds, parasols and loungers. For sun-soaked days spent unwinding and indulging, it doesn't get much better. The outdoor aesthetic goes beyond what you might expect, too; there's a beautiful turret, as well as a fountain on the tree-lined patio which adds to the relaxing vibe.

Inside this luxury villa with swimming pool, the palette is neutral and calming. The living

spaces are large and bright, with long drapes, a fireplace and feature nooks enhancing the inviting feel of the whole property. Each of the seven en-suite bedrooms is a restful space; some feature lovely extras such as a dressing table window seat or views of the turret, garden and sea. Five of the bedrooms are located in the main house – each of these has its own enchanting name to reflect its view or design, such as 'flowers' or 'sunset'. Two further bedrooms are housed in a separate annexe, the Bastidette, ideal for a small family.

With postcard-worthy Pampelonne Beach and the centre of St Tropez both just a five-minute drive away, you're perfectly placed for a luxury villa holiday in St Tropez.
