

Chalet Clos Saint-Jean

Les Gets, France

What we love...

We love the chalet's central location and its proximity to the ski lift...

A comfy and spacious bolthole right in the heart of Les Gets, Chalet Clos Saint-Jean is a luxury self-catered ski chalet that's ideal for a large group of friends or family to share.

From the outside, the chalet is your typical wood-clad alpine base. But inside, the contemporary furnishings, thoughtful touches, and floor to ceiling glass windows ensure this luxury home away from home is anything but ordinary. Come night time, it's transformed into a cosy mountain nook, with capacious sofas to curl up in and a roaring fire.

Should you feel the need for a little down-time, either alone or with friends, you can either take yourself off for a couple of hours to the

outdoor hot tub or wellness area with Hammam and sauna, where any aches and pains you've picked up on the slopes will simply melt away.

Later, gather with your party in the bar area with pool table or retreat to the private cinema where you can stretch out and relax with a good film. If you're still feeling energetic, you can make use of chalet's private gym.

For many, the most appealing aspect of Chalet Clos Saint-Jean is its central location. You'll feel wholly a part of this charming and bustling village with all its shops, bars and restaurants.
