

## Chalet Harmony

Meribel

### What we love...

We love the wellness area with Hammam, sauna, indoor Jacuzzi, gym and indoor swimming pool, perfectly equipped for rejuvenation after a long day of skiing.

Brand new for winter 2024 season, Chalet Harmony is a charming, luxury ski chalet nestled in the heart of Méribel. Designed with those looking for a haven of luxurious privacy in mind, it boasts an unbeatable location as it sits in the perfectly private, yet conveniently central Dou du Pont area. The chalet's proximity to Méribel's pistes, paired with its lavish interiors make it a slice of ski season perfection.

The elegant, alpine style of this luxury ski chalet makes it feel like a cosy hideaway. Gaze out of bed onto snow-covered mountains, while enjoying your morning coffee, or welcome the day from one of the sun-drenched terraces of the fourth floor, taking in the stunning surroundings. The wellness area and cinema are certainly two highlights, ideal for some post-slope relaxation – end your day with a soak in the Jacuzzi, by relaxing in the sauna, or a swim in the indoor pool.

Spend the evenings sipping on Champagne and enjoying canapés in the gorgeous upstairs living area, while the chef prepares a gourmet four-course dinner for you. Cosy up around the log fire with a glass of red from the wine cellar, or take to the well-stocked minibar and get the games going at the billiards table.

As hassle-free as it gets, Chalet Harmony, Meribel, offers access to an outstanding concierge service, a dedicated team of staff and in-resort driver service, ensuring that your holiday is as peaceful as possible. When it comes to rest, the seven bedrooms with a tasteful touch will suit all. One bedroom offers an additional children's bunk, and the graceful master suite spans its own floor. Curl up under goose down duvets before a deep, post-skiing sleep.

## Eating

Start your mornings with freshly prepared breakfast every day of your stay. After hours on the slopes, you'll be welcomed back with daily afternoon tea. Savour every moment of your holiday with unlimited Champagne or select a fine domaine-bottled wine from the carefully curated cellar.

On six nights, enjoy quality time with friends and family while a chef prepares an unforgettable four-course meal. Paired with a chateau wine, these meals will be one of the best aspects of your stay.

When travelling with children, evening meals can be tailored to accommodate younger palates and can be served in the early evening.

You'll have one evening to sample the local restaurants of Meribel and your chalet hosts will be more than happy to make recommendations and bookings.
