

## La Belle St Tropez

### What we love...

We love the rockery garden lounge, where foliage-draped stone walls and an outdoor fireplace have been transformed into an enchanting seating spot.

Peeping out over the azure waters of the Gulf of St Tropez, this luxury villa with a sea view has a dream location. A stay at La Belle puts you right on the doorstep of St Tropez's fantastic bars, boutiques and the idyllic Place des Lices with its twice-weekly market. But it's so much more than just a base from which to explore – this elegant property gives the region's top boutique hotels a run for their money.

Step inside and you'll be greeted with sophisticated spaces kitted out with chic French country furniture and quirky-cool art pieces. The high-spec kitchen, with its feature La Cornue stove, is situated to give easy access to the sunset-view al fresco dining area.

The jewel in La Belle's crown is its outdoor space, where the glorious swimming pool places you amongst the treetops on the hillside below. Curl up on a sofa in the beautiful rockery garden lounge or get comfortable in the hammock and swing away the afternoons while gazing across the glistening sea to other side of the bay.

After sunny days spent breathing in the salty sea air, retire to one of the soothing bedrooms for a restful night's sleep ahead of another day in paradise. Up on the first floor, the master bedroom is an impressive space complete with its own sun terrace for far-reaching views over the gardens to St Tropez's citadel and the shimmering sea.

With its central St Tropez setting, La Belle gives you access to an excellent choice of restaurants on your doorstep.

The high-spec, well-equipped kitchen – featuring a La Cornue stove and American fridge/freezer – makes it convenient to cater for yourselves if you wish. Stock up the pantry with fresh produce from the Place des Lices twice-weekly market and cook up a storm. Step straight out from the kitchen to the outdoor dining area, housed under a pergola, where you can tuck into dinner as the sun sinks into the sea. Alternatively take the heat outside and cook up a storm on the barbecue.

A private chef can also be arranged on request.
