

Les Parcs De Saint Tropez St Tropez

What we love...

We love the incredibly private outdoor swimming pool, where the sound of the trickling waters from the beautiful stone fountain adds to the serenity.

Located inside the prestigious The Parcs gated community, this luxury private villa occupies one of the most exclusive addresses in St Tropez.

On arrival at Les Parcs de Saint Tropez, you'll be greeted and introduced to your high-spec home-from-home. Oozing sophistication and elegance, this charming country house is packed with delightful features, from the arched stone windows and vaulted beams to the ornate fireplace and statement chandeliers.

Light-flooded rooms are of generous proportions, seamlessly leading from one serene space to another. A predominately white colour scheme is calming and cooling, and you'll feel at ease whether you're sinking

into the huge plump sofa in the lounge with a newspaper or turning in for the night in one of the refined en-suite bedrooms.

Outside, the gardens are immaculate, with sprawling lawns that wrap around the property. The outdoor lounge spaces are an enchanting spots for morning coffee or a pre-dinner cocktail, and there's no better place to while away sunny afternoons than on a sun lounger beside the swimming pool, listening to the trickling waters of the water fountain.

If all that wasn't enough, on a luxury villa holiday here you'll also have use of a gym, massage room and hammam, enhancing the overall experience to relax the body and mind.
