

Chalet Altius Meribel

What we love...

We love the elegant lounge, where the vaulted ceiling, light wood and large windows bring the outside in.

Stylish, modern and superbly situated, Chalet Altius, Meribel, is a wonderful home-from-home for up to 12 guests.

At this luxury ski chalet in Meribel, rooms are flooded with light, thanks to the large windows that showcase the views over the fir treetops to the Meribel Valley and Mont Vallon beyond. Light wood and statement lighting add to the elegant, airy feel. Kick back and warm yourselves by the fire in the vaulted living room while you catch up with the rest of your party and admire the mountain views.

There's plenty of space for your group to spread out here, with a comfy TV area just off the main

living room, plus a separate home cinema room for a movie marathons.

If more R&R is required, make for the sauna, Hammam and indoor Jacuzzi, where mood lighting creates an atmosphere of total zen. But if you're still feeling energetic, you can make use of the chalet's gym equipment.

Sweet dreams are assured in the spacious and soothing bedrooms. Bag the master suite on the top floor for your own dressing room and a private balcony – the ideal spot for a peaceful morning coffee in your toasty robe out in the fresh mountain air.
