

Chalet Clambinet Verbier

What we love...

We love that Chalet Clambinet has a garden, sauna, and outdoor hot tub – making it the perfect place to relax all year round.

Chalet Clambinet is an ideal spot for those who want a bit of everything, but don't want to miss out on anything. This luxury ski chalet's convenient position places you a short walk to Verbier's Medran lift station and the centre of the village.

The chalet's open-plan living area is the hub of the home with the modern feature fireplace a real focal point. The mixed use of materials creates a cool space, while exposed beams add a hint of cosiness and floor-to-ceiling windows that lets the bright mountain light flood in. Sink into the large sofa with a glass of something delicious as you catch up with family and friends.

For those who enjoy cooking, the kitchen is perfectly set up for you to cook up a storm. The contemporary

dining area makes for a very pleasant space in which to linger over good foods and fine wines long into the evening.

On cold afternoons, or when you've returned home from skiing, we recommend you spend a few hours in the sauna or outdoor hot tub, soothing away aching muscles and weary limbs after a day on the slopes.

At the end of the evening, after a nightcap on the terrace, retire to uber-cosy bedrooms, designed with only your comfort in mind for a peaceful night's sleep, ready to make the most of everything Verbier has to offer in the morning. A stay at Chalet Clambinet is as stylish as it is comfortable any time of the year.
