

Chalet Macha Tignes

What we love...

We love the soothing wellness zone, where guests can ease weary muscles in the sauna and unwind in the Jacuzzi.

With a fresh new look for the winter 23/24 season, ski-in/ski-out Chalet Macha is designed with luxury, wellbeing and sociability in mind.

This luxury ski chalet in Tignes le Lac sits next to the Almes piste for direct access to the slopes and an easy walk into town. After a day on out the mountain, ski directly to your toasty ski room, ease off your boots and make straight for the chalet's wellness area to soothe weary limbs in the sauna or Jacuzzi.

Up on the top floor, the open-plan living/dining area is an elegant and inviting space where all guests can gather together. Curl up on a comfy sofa by the roaring fire for good conversation and your favourite

tipple from the bar, and soak up the panoramic views of the Grand Sassiere, Tignes le Lac and Grand Motte.

You'll be totally taken care of during your stay at this catered ski chalet, and the mouth-watering chef-prepared meals are a real highlight.

In the bedrooms, the artist-owner has created individual spaces inspired by specific mountain themes. For complete flexibility, each of the five en-suite rooms can be set up as a twin or double. The best bit? Every bedroom has access to the balcony so you can head straight out to those fresh-air mountain vistas.
