

Casa Badra Puglia

What we love...

We love Casa Badra's expansive outside terrace – the perfect setting for social meals while taking in the views of Valle d'Itria.

Time spent at this luxury villa is for unwinding and al fresco living under the skies of the Puglian countryside. Nestled amongst ancient olive groves, on the rolling hills of Valle d'Itria lies Casa Badra – a Puglian property made up of traditional, stone-roofed trullis, with all the comforts of a modern luxury villa.

Designed for guests to embrace Italian tranquil living, Casa Badra was made for outdoor living and dining. Spend long summer days lounging by the swimming pool, and evenings sharing memorable meals with loved ones on the expansive stone-paved terrace. With a roof terrace, as well as multiple comfortable seating areas and large private garden, there's a sweet spot for all at Casa Badra.

Comfortably sleeping up to ten guests across five bedrooms, all of which are decorated with perfect balance. The white-washed walls and neutral tones of the villa's interior add to the calming atmosphere of the space, while the tasteful touches of the furnishings make you feel right at home.

Only four kilometres from Alberobello – a UNESCO World Heritage Site well known for their charming trulli dwellings, and located near several other towns, this luxury villa is ideally situated so that day trips can be easily enjoyed. Explore the surrounding towns and enjoy walks through the beautiful countryside, knowing that there is a peaceful slice of Puglian paradise to return to at the end of the day. Time at Casa Badra sure is la dolce vita.
