

## Chabichou Penthouse

Courchevel 1850

### What we love...

We love the privacy of the penthouse combined with easy access to hotel Le Chabichou's five-star facilities – including a sumptuous spa and two-Michelin-star restaurant.

Occupying the prime position within the iconic white Le Chabichou hotel, this luxury penthouse in Courchevel 1850 sits surrounded by the stunning snowy peaks. With its sophisticated chalet design, beautiful balconies draped in fairy lights, gourmet dining and exclusive setting, it is the epitome of relaxed mountain luxury.

Stylish and spacious, Chabichou Penthouse mixes modern living – expect high-spec appliances and plush furniture – with gorgeous exposed beams and traditional alpine warmth. The open-plan layout lends itself to quality time together. Gather around the dining table for oozy raclette or get everyone involved with pre-dinner nibbles.

Relaxation is made easy in the exceptionally charming lounge area, topped off with a stone fireplace adorned with a huge beam. Come evening, curl up on a fleecy chair by the crackling fire with a glass of your favourite tippie, or migrate to the TV corner for movie nights together. Each of the three en-suite bedrooms is a soothing space to ensure a good night's sleep.

Guests also have access to the hotel's five-star facilities. So while the children are playing with new friends in the fun kids' club, you can enjoy extra time on the slopes, take a table for two at the two-Michelin-star gourmet restaurant Le Chabichou, or unwind with a swim in the warm waters of the spa's indoor swimming pool.
