

## Chalet Les Clarines Chatel

### What we love...

We love the outdoor hot tub, with its amazing mountain views.

With views of snowy peaks and a roaring fire to sit around, Les Clarines is the epitome of cosy and the perfect spot to hunker down with friends or family. This luxury ski chalet in Chatel has been thoughtfully designed to include everything you could need for a winter break.

Les Clarines is perched up on a hill in Petit Chatel but is a stone's throw from the nearest lift and just a 20-minute walk into the town, so everything is within easy reach.

The interiors are decorated in traditional Alpine style but with a contemporary twist, using wood and stone and a neutral palette for a laid-back look that makes it impossible not to feel relaxed here.

L-shaped sofas and leather armchairs, gathered around the wood burning fireplace, are a wonderfully comfortable place to sprawl and watch the snow fall

outside. Nearby, is a sociable dining space, where you'll enjoy long, leisurely meals and perhaps a few bottles of wine, too. A generous, modern kitchen, with central island, completes the open-plan living space.

For chilly afternoons post-ski, you might like to enjoy the outdoor hot tub and let the jets soothe slopes-weary muscles as you look out over the mountains. Or grab some popcorn and a pile of throws and snuggle up on the sofa in the TV and games room for a movie marathon.

Once each day's adventures are over, retreat to relaxing bedrooms, stocked with cosy throws, fluffy towels and duvets that feel like clouds. Prepare for a good night's sleep while the snow continues to fall outside, gently coating the slopes, ready for tomorrow's adventures.
