

Villa More Brac

What we love...

We love the outdoor space, with sea views, a beautiful pool, and al fresco living and dining rooms.

Find your little piece of paradise at Villa More, where you can relax to the sound of waves lapping beneath you all day long. This modern villa with neutral decor and sleek, pared-back interiors is a wonderful property to share with family and friends while exploring the island of Brac and the wider area of Croatia.

Perched on the edge of the sea in a charming fishing village, the steps from this luxury villa appear to tumble down into the waves. Villa More welcomes you from the moment you step out of the car. Inside the contemporary property, every last detail has been considered. White sofas and chairs in the cosy living space sit alongside rustic wood accessories for a laid-back coastal feel. Nearby is a dining room with statement lighting, close enough to the top-of-the-range kitchen and wine cellar to be extremely sociable. And the living spaces all have stunning views out over the sea and the mountains beyond on the mainland.

The bedrooms each have a king-size bed and spa-style en-suites. All the bedrooms, like the entire villa,

have air-conditioning, as well as underfloor heating for chillier days.

With a gym and sauna on the ground floor, and top-of-the-range gadgetry such as Sonos sound system, Bose speakers and smart TV with satellite, there is plenty to keep everyone busy indoors, but the outside spaces are probably our favourite thing about Villa More.

A stunning swimming pool, with Jacuzzi area, is surrounded by loungers, where you can relax with a book and a drink and enjoy the view out over the sea. The pool area also has an outdoor shower for your convenience. Enjoy the terraces with al fresco living and dining spaces, as well as a summer kitchen, where you and your party will enjoy relaxed meals with spectacular views, as the sun goes down each evening.

With staff on hand to book restaurant tables, days out and attend to all your needs, Villa More is sure to leave you wanting more.
