

## Villa Olive Corfu

### What we love...

We love the uninterrupted sea views from almost every sun-filled room in the villa, which adds to the totally relaxed vibe.

Named after the beautiful and ancient olive groves surrounding this luxury Corfu villa, three-bedroom Villa Olive is a minimalist and modern property designed to merge into the hillside on the edge of the sparkling Ionian Sea.

Built in 2022, this captivating villa is an idyllic escape from the hustle and bustle of everyday life. The interior focuses on clean-lined concrete and floor-to-ceiling glass, creating a contemporary and restful atmosphere where the whole family can feel at home. As you gaze out over the azure waters – visible from almost every room in the two-storey home – you'll feel a wave of relaxation wash over you.

No detail has been overlooked, from the plush day-bed-like loungers and glass-fronted balconies to the platform beds and indoor gardens. Smart technology and an A+ energy rating only add to the appeal.

The showstopper is perhaps the infinity swimming pool, whether you're taking a refreshing swim in its glistening waters or relaxing poolside with an ice-cold drink in hand. The outdoor terrace is a particularly enchanting spot at sunset, when the sun turns the sea from bright blue to golden.
