

Villa Panorama Corfu

What we love...

We love the turfed terrace garden offering lofty views over the Ionian Sea.

This is a property that's about setting, seclusion and style. Villa Panorama's floor-to-ceiling glass windows showcase the stunning views of the Ionian Sea and its hillside location, shrouded in greenery, affords plenty of privacy to boot.

This two-bedroom luxury villa on the quieter west coast of Corfu was built in 2022 and during a stay here you can enjoy a fresh and modern home with top facilities. When you enter this sleek retreat, you feel as though you're suspended between the land and the sea, with views straight out to the glistening Ionian waters.

The use of concrete, shades of grey and lots of glass creates an industrial-chic vibe, ideal for contemporary design-loving couples. The bijou open-plan living and dining area, backed by a fully equipped kitchen, is double-height and leads out to a turfed terrace to create a real sense of space and allow for effortless indoor/outdoor living. This is the perfect place for morning coffees and sunset drinks.

Allow the villa's peaceful location to help you unwind. Spend your days taking dips in the private rooftop infinity swimming pool, getting to know the locals in the tavernas of Pentati, tucking into delicious Corfiot food and exploring sandy beaches and quaint villages.

For those times when you just want a night off cooking, Pentati is the closest village, with a couple of charming tavernas where you can grab a quick bite to eat, while the neighbouring resort town of Agios Gordios has a wider choice of restaurants and bars.

Kids

Villa Panorama's hillside location and tiered garden terraces provide a wonderful space for children to explore. Kids of all ages will love days spent swimming and splashing in the beautiful, private swimming pool. If you can drag yourselves away from this little slice of paradise, head to the little sandy bay in Pentati or the long sandy beach of Agios Gordios.

Bedrooms can be set up as twin rooms or doubles. Extra beds can be provided for children, including cots for children under 3 years, upon request.

Location

Villa Panorama is located on the cliffside overlooking the sea on Corfu's quieter west coast. The closest village is Pentati, a tranquil hilltop village with a small sandy bay. It neighbours popular Agios Gordios where you'll find a long sandy beach and choice of eateries.

Thanks to the villa's off-the-beaten-path location, car hire is recommended.
