

## Apartment Parc Alpin 101 Meribel

### What we love...

We love the spacious terrace, complete with outdoor living and dining areas, to allow you to make the most of the mountain air.

Contemporary but with a nod to the classic, Apartment Parc Alpin 101 is a lovely ski chalet, in one of the most central parts of Meribel. With fantastic access to the lifts, restaurants and shops, everything is within reach.

Inside the apartment, a modern Alpine style is at once cosy and contemporary. The living spaces are open plan, making the apartment a really sociable space to share with friends and family. The sleek, chic living area has comfy sofas and a wood-burning fireplace where you might like to gather with drinks in the early evening. Nearby is a stylish dining table with statement lighting above and surrounded by comfortable upholstered chairs – the perfect spot for long meals, late into the evening, fuelled by good foods, fine wines and plenty of good conversation. The well-equipped kitchen has everything you could

need to self-cater for a large group, should you decide to, and a bar area where you can sit and chat to your chef.

Outside on the spacious terrace, there are al fresco living and dining spaces. Take out your morning coffee or your nightcap to the outdoor sofas and breathe in the mountain air.

Back inside, all of the bedrooms have their own TVs and each of the main bedrooms is stocked with slippers, luxury bath products and everything you could need for a relaxing evening and a good night's sleep.

When you wake in the morning, the lift is just seconds away, so you can swing through the ski room and be out on the powder before anybody else.
