

## Chalet Le Rocher Megeve

### What we love...

We love the chalet's private tranquil setting, surrounded by gardens and mountains, yet just a 10-minute drive from Megeve's charming centre.

Chalet Le Rocher is what quintessential chalet dreams are made of; a gorgeous, spacious stand-alone property surrounded by its own gardens and backed by snowy mountaintops. Channelling modern alpine luxe throughout the four en-suite bedrooms and vaulted entertaining space, this inviting luxury ski chalet is a chic and calming home-from-home that's just a short drive from Megeve's picturesque centre.

The attention to style and detail is apparent from the moment you step into the marble-floored hallway. Up on the light-and-airy main living floor, further plush touches include velvet stools lining a sleek bar and unique gold pendants that dangle above the family-style dining table.

After action-packed days on the slopes, sink into the plump L-shaped sofa and get toasty by the contemporary wood-burning fire. As evening comes around, head down to the TV room for movie nights together, or retreat to the snug mezzanine reading nook to curl up with a good book and a glass of red as the snow falls outside.

Each bedroom is a soothing space with its own en-suite bathroom and direct access to the terrace. Wrap yourself in a fluffy bathrobe, pop on some comfy slippers and sit out in the morning sun with a warming coffee or velvety hot chocolate. Bag the master bedroom to enjoy a spacious dressing room and Hammam-style shower.
