

## Chalet Serge Cortina d'Ampezzo

### What we love...

We love the spa, with Finnish sauna, Turkish steam bath, Jacuzzi and relaxation area.

Bright, light and thoroughly modern, this luxury ski chalet in the Dolomites is ideally located to enjoy the best of the Cortina d'Ampezzo area.

Chalet Serge is part of the Hotel Dolomiti Lodge, one of the most sought-after stays in the area, and as such, guests of the chalet enjoy access to the hotel's eateries and wellness suite, which includes a swimming pool, gym and 'beauty farm' for pampering treatments.

As well as all the benefits of an exclusive hotel, a stay at Chalet Serge also offers you plenty of peace and privacy as you can escape to your own private space whenever you wish.

Modern light wood cladding, contemporary style and lots of artworks make Chalet Serge a beautiful and homely location for your stay. Flooded with natural light and equipped with all the gadgetry you could need – as well as plenty of home comforts – it's hard not to relax here.

Laid out almost entirely over one level, Chalet Serge is a very sociable space to share with friends or family. In the living area a capacious sofa seats 15 – more than enough

space for everyone to sprawl – while a dining table nearby seats eight for long, leisurely meals. There's also a well-equipped professional kitchen so you can self cater and fix snacks whenever you want to.

The two main bedrooms are individually designed to feel relaxing and cossetting when you fall into bed at the end of adventure filled days. Each has its own stylish en-suite to unwind in, too. The attic room works well as a children's bedroom, and there's also a single service bedroom which might suit a nanny.

On snowy afternoons, when you return from your skiing day, there's plenty to keep everyone busy at Chalet Serge. Head up to the cinema area on the mezzanine level and lie on the huge beanbags in front of a movie or wander down to your private spa where you can soothe any aching muscles in the Finnish sauna and Jacuzzi, and warm your entire body in the Hammam.

Before you head out for your evening meal, we recommend you enjoy drinks and canapés on your terrace, where bar-style seating lets you take in the views and the mountain air over a glass of something suitably cold and bubbly.
