

Chalet Rocher Les Gets

What we love...

We love the chalet's central location, in easy walking distance of Les Gets' restaurants, bars, shops and the slopes.

Alpine charm meets modern comforts at this luxury ski chalet in Les Gets. Exposed wood, a roaring fire and a private hot tub set the scene for pure away-from-it-all relaxation, yet you're just a seven-minute walk from the centre of lovely Les Gets.

Housed in a slick new apartment complex, Chalet Rocher offers guests a fresh, clean-lined and contemporary space. Huge windows flood this large yet cosy chalet with morning sunlight, so off-piste afternoons can be spent tucked up on the plump corner sofa by the log burner, gazing out over Les Gets' main ski spot. Dedicated indoor and outdoor dining areas make mealtimes a sociable affair. There's even space for everyone to gather around the kitchen island for pre-dinner nibbles and drinks.

Out on the spacious mountain-view deck, the private hot tub is perfectly positioned to watch, at the end of the day, the piste turn from white to red and then dark; grab your favourite tippie and sink into the warm bubbles after another fun-filled day.

When it comes to sleeping arrangements, this luxury ski chalet has all groups covered. Couples will love the two calming double bedrooms, while friends can bed down in the restful twin room. A mezzanine family room is the ideal space for children to sleep and doubles up as a study for a quiet spot to check your emails during the day.

Eating

At Chalet Rocher, guests can choose between a catered or self-catered luxury ski holiday. Whichever option you go for, you'll be treated to memorable dining experiences.

On a catered stay, a hearty breakfast will set you up for an exciting morning on the mountain. In the evenings, kick back with a glass of local wine or beer as your chef takes care of everything. Take a seat around the dining table and tuck into three mouth-watering courses (served six nights per week) with your nearest and dearest.

Self-catering guests can enjoy whipping up meals in the chalet's well-equipped kitchen, where the open-plan layout means your designated chef won't miss out on the family fun. On nights off, Les Gets has a great range of restaurants including traditional Savoyard eateries. To experience the classic après scene, make your way to La Folie Douce on the slopes between Les Gets and Avoriaz.

Chalet Rocher

Kids

Chalet Rocher's central location, uncluttered design and flexible dining options makes it an ideal choice for families. The open-plan layout and large deck means it's easy for everyone to spread out while still keeping an eye on the children. The mezzanine area is a lovely space for kids to cosy up in and feel as though they're sleeping high in the rooftops.
