

Six Senses 3-BR Prestige Apts. Crans Montana

What we love...

We love the enormous terrace with its multiple seating areas, professional telescope, and breath-taking mountain views.

The ultimate space for those who like to feel at one with nature on their luxury ski holiday, this three-bedroom prestige apartment in the 5-star Six Senses Crans Montana Hotel enjoys fabulous mountain views and ski-in/ski-out access to the Crans Montana ski area. Wandering the light, airy interiors, you'll encounter locally sourced materials and delightful artworks, before arriving in the warm, inviting sitting room with its crackling fire.

Doors open up onto the expansive forest-fringed terrace, spanning 150m² and incorporating a multitude of seating and dining areas. In the mornings, take a moment to breathe in the fresh mountain air, and come nightfall, gaze at the stars through the professional telescope.

Your private sauna will be waiting for you when you return from the slopes, ready to soothe tired limbs. If that's not enough relaxation, the Six Senses Crans Montana Hotel's

monumental 2000m² spa beckons, where you'll choose between the rooftop heated swimming pool and the indoor swimming pool with its striking suspended timber ceiling. Combined with multiple saunas, an ice fountain, fitness room, and alpine garden with open-air cinema, there's enough to keep you occupied for a week without ever leaving the hotel.

Once the sun has dipped behind the summits, the apartment's open-plan kitchen and dining room is where you and your family and friends will gather to swap ski stories over a home-cooked meal. Later, retreat to one of the exceptionally comfortable en-suite bedrooms where the Naturalmat mattress will ensure you have a blissful night's sleep before tomorrow's adventures.

Please note, each apartment's layout and facilities will differ, and images shown are as a guide to reflect the style and decor.
