

Chalet Cortil

Verbier

What we love...

We love the cosy yet spacious open plan living area, with its magnificent stone fireplace, south-facing balcony, and uninterrupted mountain views.

Perched on the hillside amid snow-topped trees and commanding beautiful views across the valley, this standalone luxury ski chalet in Verbier is a hidden gem. Just minutes from the nearest Savoleyres lift station, Chalet Cortil provides convenient access to the pistes, and a warm, inviting atmosphere to welcome you on return.

Start your days at Chalet Cortil by sipping coffee and taking in the snowy panoramas from the south-facing balcony, either on the seating scattered with sheepskin rugs or the quirky swing chair. Retrieve your toasty ski boots from the heated boot warmers and set out for a day on the slopes of the fabulous 4 Valleys ski area.

When the sun dips behind the peaks, Chalet Cortil's charming open plan living space is the perfect place to retreat to, with its striking vaulted ceilings, double-height windows, elegant stone fireplace, and eclectic furnishings. Sink into the sofa with a glass of wine as the fire crackles nearby, and you'll never want to leave.

After you've gathered for a family meal and games around the spacious dining table, retire to one of the delightful bedrooms for a blissful night's sleep. Chalet Cortil offers a choice of four cosy rooms, each with its own en-suite bath or shower room. The master bedroom even features its own TV and private balcony where you can gaze at the stars after dark.
