

Chalet Snowy Breeze

Val d'Isere, France

What we love...

We love the chalet's central location, positioned in the old town area of Val d'Isere and close proximity to the slopes...

Contemporary design meets classic comfort in this rather special luxury ski chalet in Val d'Isere. Offered on a self-catered basis, this luxury chalet offers the best of both worlds – a central location combined with the flexibility to follow your own schedule.

Chalet Snowy Breeze sits approximately 350 metres from the snow front and Val d'Isere's main lift hub. If you like to get straight out onto the snow and get a flying start ahead of the crowd, then you will love this luxury chalet.

When the sun dips behind the peaks, Chalet Snowy Breeze's charming open plan living space is the perfect place to retreat to, with its vaulted ceilings, double-height windows, suspended fireplace and

eclectic furnishings. Sink into the sofa with a glass of wine as the fire crackles nearby, and you'll never want to leave.

The chalet's spa area with an indoor swimming pool, Hammam and massage treatment room is perfect for when you've returned from the slopes and have a relaxing few hours planned. With a home cinema room too, you can join in with the cosiest movie night you'll ever experience.

At the end of the evening, after a nightcap on the balcony, retire to uber-cosy bedrooms, designed with only your comfort in mind for a peaceful night's sleep, ready to make the most of everything Val d'Isere has to offer in the morning.
