

Chalet Edelstone Courchevel 1850, France

What we love...

We love the chalet's wrap-around terrace with access to the outdoor hot tub...

Nestled into the mountainside in the heights of Courchevel 1850, one of the world's most exclusive ski resorts, sits the luxury ski chalet Edelstone.

Renovated in 2023 and spanning over four floors, Chalet Edelstone strikes the perfect balance between a traditional, rustic style and contemporary luxury. The magnificent open-plan living and dining area is dominated by floor-to-ceiling French windows, maximising the stunning views of the surrounding mountains. Relax by the roaring fire with an après-ski tippie and discuss the highlights of your days and make plans for tomorrow.

And there's no shortage of areas elsewhere in the chalet in which to relax and have fun. Soothe aching

muscles in the outdoor hot tub or enjoy a well-deserved massage in the chalet's treatment room. Additionally, the separate home cinema room makes for the perfect spot for catching an afternoon film as a group.

After hours, there's nowhere nicer to let your meal go down than out on the balcony taking in the mountain air. It's enough to give you a yearning for your bed, and there's no comfier spot to lay your head than in chalet's comfy bedrooms, with plump pillows and puffy duvets to fall into at the end of each evening. Sweet dreams, indeed.

If your dream ski holiday is all about location, location, location, make a beeline for this luxurious chalet, which is less than 20 metres away from the Pralong piste.
